

All funds are raised by and from Freemasons themselves.
Staffordshire's Freemasons gave over £100,000 to charities in 2015 (see below). From January to May (inclusive) this year our Lodges have donated £58,000 to a large variety of causes, many local, either directly or via provincial and national Masonic charities.

Donations to charity by Staffordshire Lodges so far this year total £63,599.
